FREE

space planning

+ consultation service

Utilising our vast experience in education, we can maximise the potential of any space.

2D Drawings

● FREE initial consultation

To help gain a better understanding of your project objectives.

● Let us do what we do best!

We can give you suggestions on how to populate your space with 2D space planning alongside 3D visualisations.

- Correct no. of workspaces
- Right amount of space between users
- Distance between tables for walkways
- Bespoke WxDxH sizes able to accommodate pillars, corners etc.

● Site visit

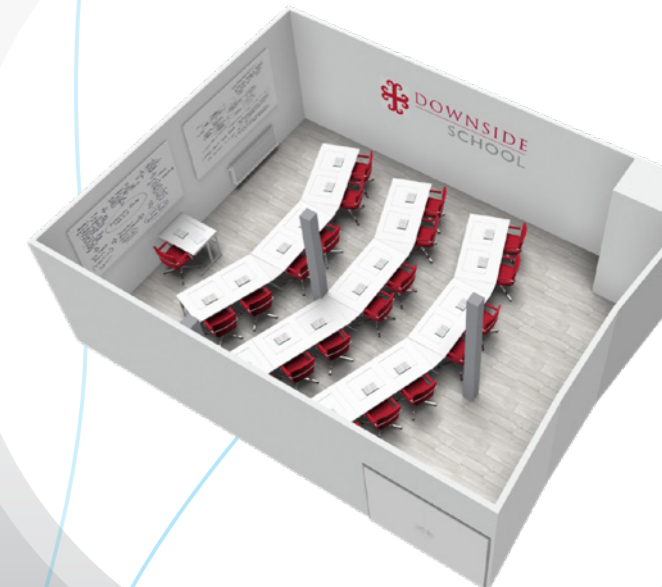

Ensuring your organisation receives a trouble-free service with minimal disruption.

● Specialist installation team

Install our products on your site at a time that is convenient to you.

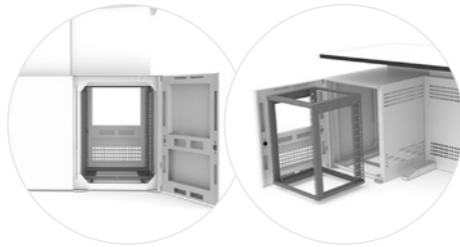

Quoted on a project by project basis and dependent on location and site access.
