

## PRODUCT DETAILS

# ALPHA DESKS

ALPHA DESKS create flexible learning environments capable of supporting collaboration, group-discussions and solo work within the same space.

The unique shape of the ALPHA DESKS allows them to be arranged in a variety of formations, while its light steel frame and braked castors mean room layouts can be reconfigured simply and quickly to change the focus of discussions.

Ideal for classrooms and training rooms, ALPHA DESKS are the perfect workspace solution to create modern and unique learning environments.

### Features

- Rounded corners provide smooth linkages
- Stacks up to six tables high
- Available fitted with braked heavy-duty castors for easy mobility
- Can be integrated with a versatile ICT 'flip-top' pod

**Encourage collaboration**  
Unique shape encourages a range of collaborative working styles.

**Choose your shape and style**  
Fully flexible to be arranged in a variety of ways to suit your space requirements.

**Built to last**  
All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.
