

PRODUCT DETAILS

EXPLORER

Available in a single or double unit, EXPLORER is a media integrated lectern focused on small to medium presentation spaces.

Utilising our innovative 16U rack design, which secures both rack and non-rack mounted equipment, EXPLORER is supplied with a flexible monitor arm and concealed castors. The basic features of an EXPLORER result in a cost effective product with a very competitive lead time.

Features

- 16U or 32U rack space
- Front and rear door rack access
- Standard steel or deluxe wooden side panels
- Monitor arm (ENDO72 or 82)

Secure your AV equipment
Robust steel construction and drill resistant locks ensure security.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Rushed for time?
Available on a 20-working-day in a range of standard colours & finishes.
