

PRODUCT DETAILS

GEMINI

GEMINI is a range of electrically height adjustable desk style lecterns in which the entire surface rises and falls to suit all user preferences.

Each unit also features easily accessible secure storage for rack and non-racked equipment and is supplied with a flexible monitor arm.

Its ergonomic design provides a spacious surface and is ideal for both seated and standing presentations in all room sizes.

Features

- Fully height adjustable worktop
- 12U/14U or 24U/28U removable rack(s)
- Front and rear door rack access
- Illuminated branding

Height adjustable
Entire worktop rises and falls to suit user preference.

Removable 19" rack
Allows rack to be populated whilst the lectern is being built.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Modular design
Allows for easier installation
