

PRODUCT DETAILS

HEIGHT ADJUSTABLE DESK

Our HEIGHT ADJUSTABLE DESKS are manufactured for a range of applications. Firstly, the desks are designed to comply with the Equality Act, enabling desks to adapt to accommodate wheelchair users at the push of a button.

Furthermore, the desks enable ICT workstations to adjust for multiple age groups, or simply adapt to achieve a single user's preferred working height.

Robust steel frames are able to take the weight of heavy computer equipment, whilst in-built cable trunking and worktop ports help improve cable management.

Features

- Height adjustable from 658-1180mm
- Electric height adjustment with smooth quiet motorized function
- Wide range of PC security options
- Optional monitor mounts

Equality Act compliance

The entire surface rises and falls electrically with smooth quiet motorized function to meet any user height preference.

Built to last

All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.

Cable management

Designed with cable trunking and cable trays provide neat cable management.

Choose your shape and style

Available in a range paint, worktop and edge banding finishes.

Models

HEIGHT ADJUSTABLE DESK

Bespoke Service

As each of our desks are designed and manufactured in-house, we are able to offer a unique customisation service that ensures each product is produced to meet the needs of the workspace in which they are installed. This service includes tailoring the colour, shape and style of the worktop and frame, as well as choosing the level of ICT security that may be required.

Dimensions

Customise the size of your HA Desks by selecting any combination from the list below

W:	800mm	D:	600mm
	900mm		650mm
	1000mm		700mm
	1100mm		750mm
	1200mm		800mm
	1400mm		850mm
	1500mm		900mm
	1600mm		
	1800mm		
	2000mm		
	2400mm		

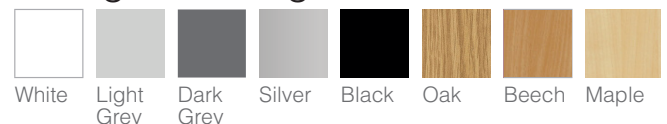

Please note: HA desks need to be spaced 50mm apart to avoid inadvertent finger trapping.
