MESSENGER

MESSENGER is an elegant and stylish podium suitable for a wide range of presentation spaces with minimal footprint. MESSENGER is electrically height adjustable to suit all presenters.

The lectern rises and falls at the push of a button and depending on models selected can be configured with wireless or corded microphones, PCs and other AV technology.

Features

- Fully height adjustable
- Static and castor options
- 4U half / 4U full / 8U full rack options
- Articulated monitor arm (inc. w/ M3P models)

Height adjustable
Entire unit rises and falls to suit user preference.

Range of storage options
Available with storage space options for a range of requirements

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Easy transportation
Castors models available for easy manoeuvrability around any learning environment.

TOP-TEC
