

PRODUCT DETAILS

RUBI

RUBI is an economical media cabinet for small rooms. It is a compact solution allowing it to be placed in areas where space is limited. All four sides of RUBI are lockable and detachable from the frame providing easy access to equipment.

The standard unit comes with six power sockets and 16U of horizontal rack space at 350mm depth (or 5U of vertical rack space at 500mm depth) with half of the rack space accessible to the user through apertures that may be adjusted to suit your access requirements.

Features

- 16U (horizontal/350mmD) / 5U (vertical 500mmD) rack space
- Concealed castors
- Detachable side panels for easy maintenance

Secure your AV equipment
Robust steel construction and drill resistant locks ensure security.

Facilitates seamless AV/IT integration
Complete cable management creates an 'all-in-one' solution.

Utilise any sized space
Slim unit helps utilise the smallest room spaces.

Easy transportation
Concealed castors for easy manoeuvrability around any learning environment.
