

PRODUCT DETAILS

SPIRE

We can meet any colour requirements you may have

The SPIRE offers the ideal solution for open plan and agile learning spaces and can effectively integrate AV/IT equipment to create the perfect all in one solution for use as both a teaching aid and digital signage.

It features a tamper proof security cage in the centre of the product able to house a PC, with concealed internal cable management in the mast.

Available in a wall mount, floor-to-wall mount and trolley version, SPIRE is adaptable to any requirements the user may have.

Features

- Supports up to 700x400 VESA screens
- Enclosure for a small PC
- Wall-mounted configurations available
- Vinyl branding

Ideal for agile learning
Ideal solution for any open plan or agile learning spaces.

Easy screen deployment
Small footprint, slim profile & high quality castors for easy manoeuvrability. Can fit through standard doorway.

Facilitates seamless AV/IT integration
Complete internal cable management creates an 'all-in-one' solution.

Secure your AV equipment
Robust steel construction and drill resistant locks ensure security.
