

PRODUCT DETAILS

SYNERGY BLADE

BLADE

- 4 - 12 seat versions
- Expanded worktop allows more users to fit at the end of the table
- Screen can still be used as primary resource

Our collaborative tables allow users to come together for group projects and discussions where they can share information and ideas seamlessly.

SYNERGY is designed to provide users with a dynamic and interactive solution that is fully AV and IT integrated and meets the high standard expected from educational furniture today.

Features

- Standard mast and cable well connectivity
- Secure screen mount (up to 700x400 VESA screens)
- Available with a range of accessories

Collaboration is key

Creating active learning environments to enhance student collaboration.

Communicate & share

Our table shapes help promote discussion and enhance engagement.

Facilitates seamless AV/IT integration

Complete cable management creates an 'all-in-one' solution.
