PRODUCT DETAILS SYNERGY HA

HEIGHT ADJUSTABLE

- Facilitates needs for users with special height requirements
- HA area rises sufficiently to be used as a presentation point to a small group

Our collaborative tables allow users to come together for group projects and discussions where they can share information and ideas seamlessly.

SYNERGY is designed to provide users with a dynamic and interactive solution that is fully AV and IT integrated and meets the high standard expected from educational furniture today.

Features

- Height adjustable end section
- Standard mast and cable well connectivity
- Secure screen mount (up to 700x400 VESA screens)
- Available with a range of accessories

Collaboration is key
Creating active learning environments to enhance student collaboration.

Communicate & share
Our table shapes help promote discussion and enhance engagement.

Facilitates seamless AV/IT integration
Complete cable management creates an 'all-in-one' solution.
