

PRODUCT DETAILS

VENUS ELECTRIC 'POP-UP' DESK

Transform your workspace in seconds with these popular multi-functional desks. VENUS ELECTRIC POP-UP DESKS enable you to switch classrooms from written study areas to IT suites at the push of a button.

A champion of maximising space, the desks allow users to partake in a wide range of activities within the same working environment.

As each of our desks are designed and manufactured in-house, you can also take advantage of our customisation service to achieve the exact finish you require.

Features

- Ultra smooth quiet motor reveals screen
- Available in single and double units
- Contemporary cantilever design
- Can be fitted with made-to-measure PC cage

Multi-purpose learning
Transforms from ICT workspace to traditional writing surface in seconds.

Your complete 'all-in-one' workspace
Integrates PC, screen, keyboard and mouse into one workspace with complete internal cable management.

Perfectly made for your screens
Screen is sent to us before to ensure perfect fit.

Built to last
All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.
