

PRODUCT DETAILS

VENUS MANUAL 'FLIP-TOP' DESK

Transform your workspace in seconds with these popular multi-functional desks. MANUAL VERSATILE 'FLIP-TOP' DESKS conceal screen, keyboard and mouse, all available to the user at the pull of a lever. Supporting ICT and non-ICT activities within the same space, these user-friendly desks are well established by their build quality.

The desks robust steel frame is designed specifically to support heavy computer equipment, while added cable trunking provides neat and easy cable management.

As each of our desks are designed and manufactured in-house, you can also take advantage of our customisation service to achieve the exact finish you require.

Features

- Available in single and double units
- Universal screen mount up to 27"
- Contemporary cantilever design
- Can be fitted with made-to-measure PC cage

Multi-purpose learning
Transforms from ICT workspace to traditional writing surface in seconds.

Your complete 'all-in-one' workspace
Integrates PC, screen, keyboard and mouse into one workspace with complete internal cable management.

Perfectly made for your screens
Screen is sent to us before to ensure perfect fit.

Built to last
All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.
