PRODUCT DETAILS

WAYFINDER MINI

The WAYFINDER MINI/MICRO offers a stylish and elegant solution for mounting screens, ideal for reception spaces in both education and corporate environments. These units are ideal for use as sign-in or registration points, allowing touch screens to be easily deployed in open plan areas.

Internal cable management, grommet holes and the option to run cabling through the bottom of the unit result in an all-in-one solution with minimal disruption to its surroundings.

Each unit can be customised to match your corporate identity with a range of standard colour finishes and vinyl branding options.
