

PRODUCT DETAILS

MOBILE SAFETY SCREENS

TOP-TEC mobile safety screens enable tutors to maintain social distancing whilst effectively presenting to students in classroom environments.

Each screen features a robust & reliable construction and are easily cleanable with standard household products.

Screens can be used on their own for our range of podium style lecterns or placed alongside one another for our larger auditorium range.

Features

- Available in a range of standard paint finishes
- Large acrylic screen (1000x1500)
- Lightweight design
- Robust steel construction

Maintain Social Distancing
Provides physical barrier for increased level of protection for tutors & students.

Keep Your Classroom Feel
Maintain light transmission and the open feel of the classroom.

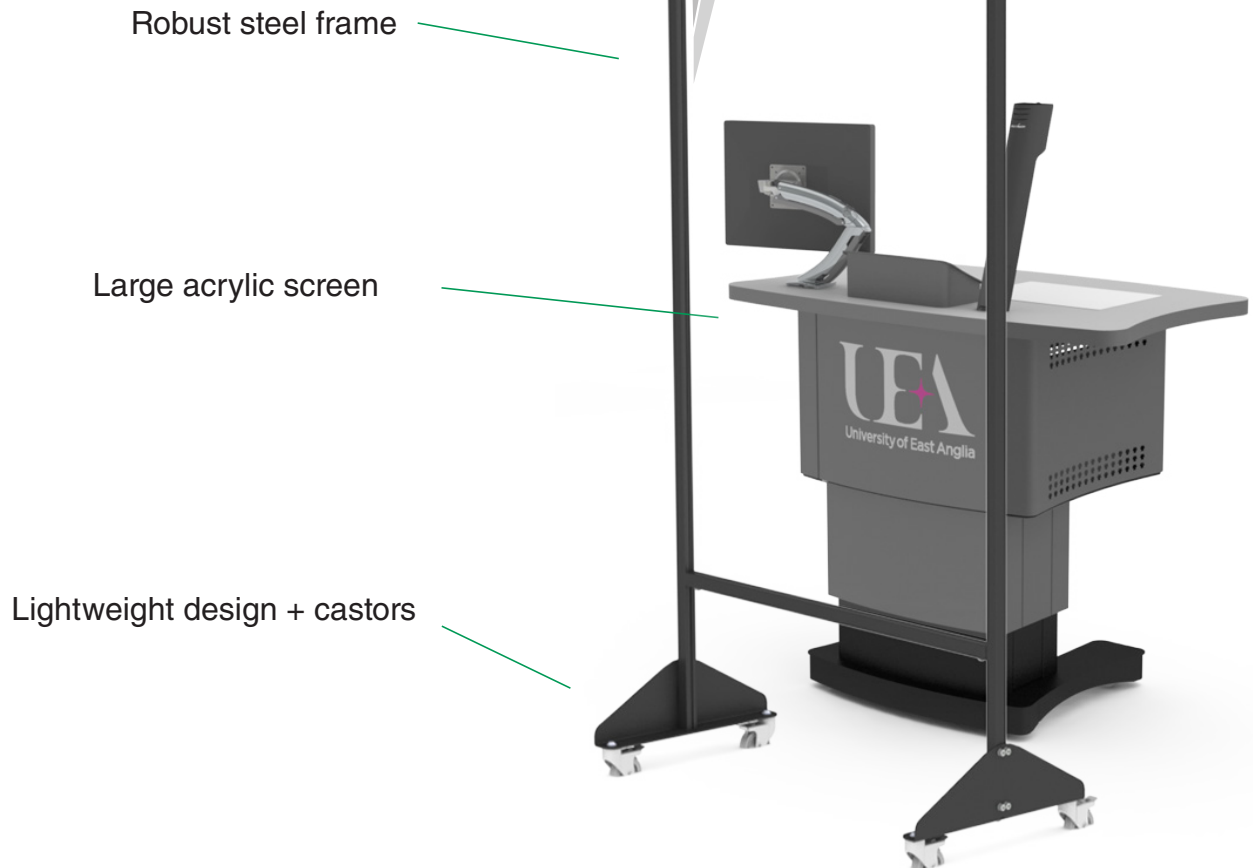

Simple Installation
Lightweight design & castors for easy manoeuvrability.

Easily Cleanable Surfaces
All screens can be easily cleaned with standard cleaning products.

Protect lecturers + tutors in the classroom
