

PRODUCT DETAILS

CORNER DESK

Our made-to-measure CORNER DESKS generate extra space in tight environments. They are manufactured to provide durable, smart workstations in a room corner that can function as both writing desks and areas compatible with portable computers

Available with a curved or straight-edged worktop, these desks round off room installations in a resourceful and aesthetic manner.

Cable ports, optional cable trunking and trays and a large choice of optional power options can all be added to the design to increase the desks compatibility with laptops and tablets.

Features

- Optional universal mount to accommodate screens up to 19" wide
- Available in a number of heights: standard, low, standing or EA complaint

Generate extra space in tight environments
Add an extra workstation into the corner of your room without obstructions.

Tailor-made to your requirements
Available in a range of sizes and finishes to fit a variety of room requirements.

Cable management
Optional cable trays provide neat cable management.

Built to last
All our desks are manufactured from steel at our factory in Birmingham with a strong and robust design.
