Equal Opportunities Policy Statement

Dalen Limited is committed to building an organisation that makes full use of the talents, skills, experience, and different cultural perspectives available in a multi-ethnic and diverse society, and where people feel they are respected and valued, and can achieve their potential regardless of race, colour, nationality, national or ethnic origins, sexual orientation, gender, disability or age.

Dalen Limited will follow the recommendations of the Statutory Codes of Practice of the Equality and Human Rights Commission, in all their employment policies, procedures and practices.

The aims of this policy are to ensure that:

- No-one receives less favourable treatment, on grounds of race, colour, nationality, ethnic or national origins, gender, sexual orientation, religion or belief, disability or age; or is disadvantaged by any conditions, requirements, provisions, criteria, procedures or practices that cannot be justified on any other grounds, or victimised for taking action against any form of discrimination or harassment, or instructed or put under pressure to discriminate against, or harass, someone on the above grounds.
- The organisation is free of unwanted conduct that violates the dignity of workers or creates an intimidating, hostile, degrading, offensive, or humiliating environment.
- Opportunities for employment, training and promotion are equally open to male and female candidates, candidates from all racial groups, candidates with or without disabilities, and candidates of any age, and of any sexual orientation, religion or belief.
- Selection for employment, promotion, transfer, training, and access to benefits, facilities and services, will be fair and equitable, and based solely on merit.

- All aspects of Company policies and procedures shall be kept under review to ensure that they do not operate against the 'equal opportunities' principles. This policy applies to all aspects of employment, from recruitment to dismissal and former worker's rights.
