

 TOP-TEC

Acoustic Meeting Pods

Tailored to your requirements

Acoustic Meeting Pods

Our acoustic pods can be used for a wide range of meetings types, which can all take place quickly & conveniently within busy environments without any of the usual distractions, saving you time and money.

our pods are ideal for...

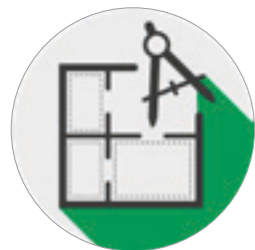

- » Virtual consultations.
- » Private or confidential meetings.
- » High value conversations.
- » 'Huddle' or 'breakout' meetings.

Why choose us?

We know education

We have provided excellent customer service for over 65 years and have built a reputation for going above and beyond for our customers.

Tailored to your requirements

Our solutions are specifically designed for you to provide suitable space for each user depending on the equipment used.

UK designer & manufacturer

Equipped with in-house designers and engineers, we are able to offer an exceptional level of customisation to our products.

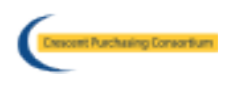

"It takes 20 minutes to regain your focus after a small distraction."

University of California

Supporting the

furniture framework:

- ISO 9001:2015 for Quality Management
- ISO 14001:2015 for Environmental Management

Acoustic Meeting Pods

Effective acoustics

Helps limit external noise, creating the ideal solution for any open plan spaces.

Plug in and play!

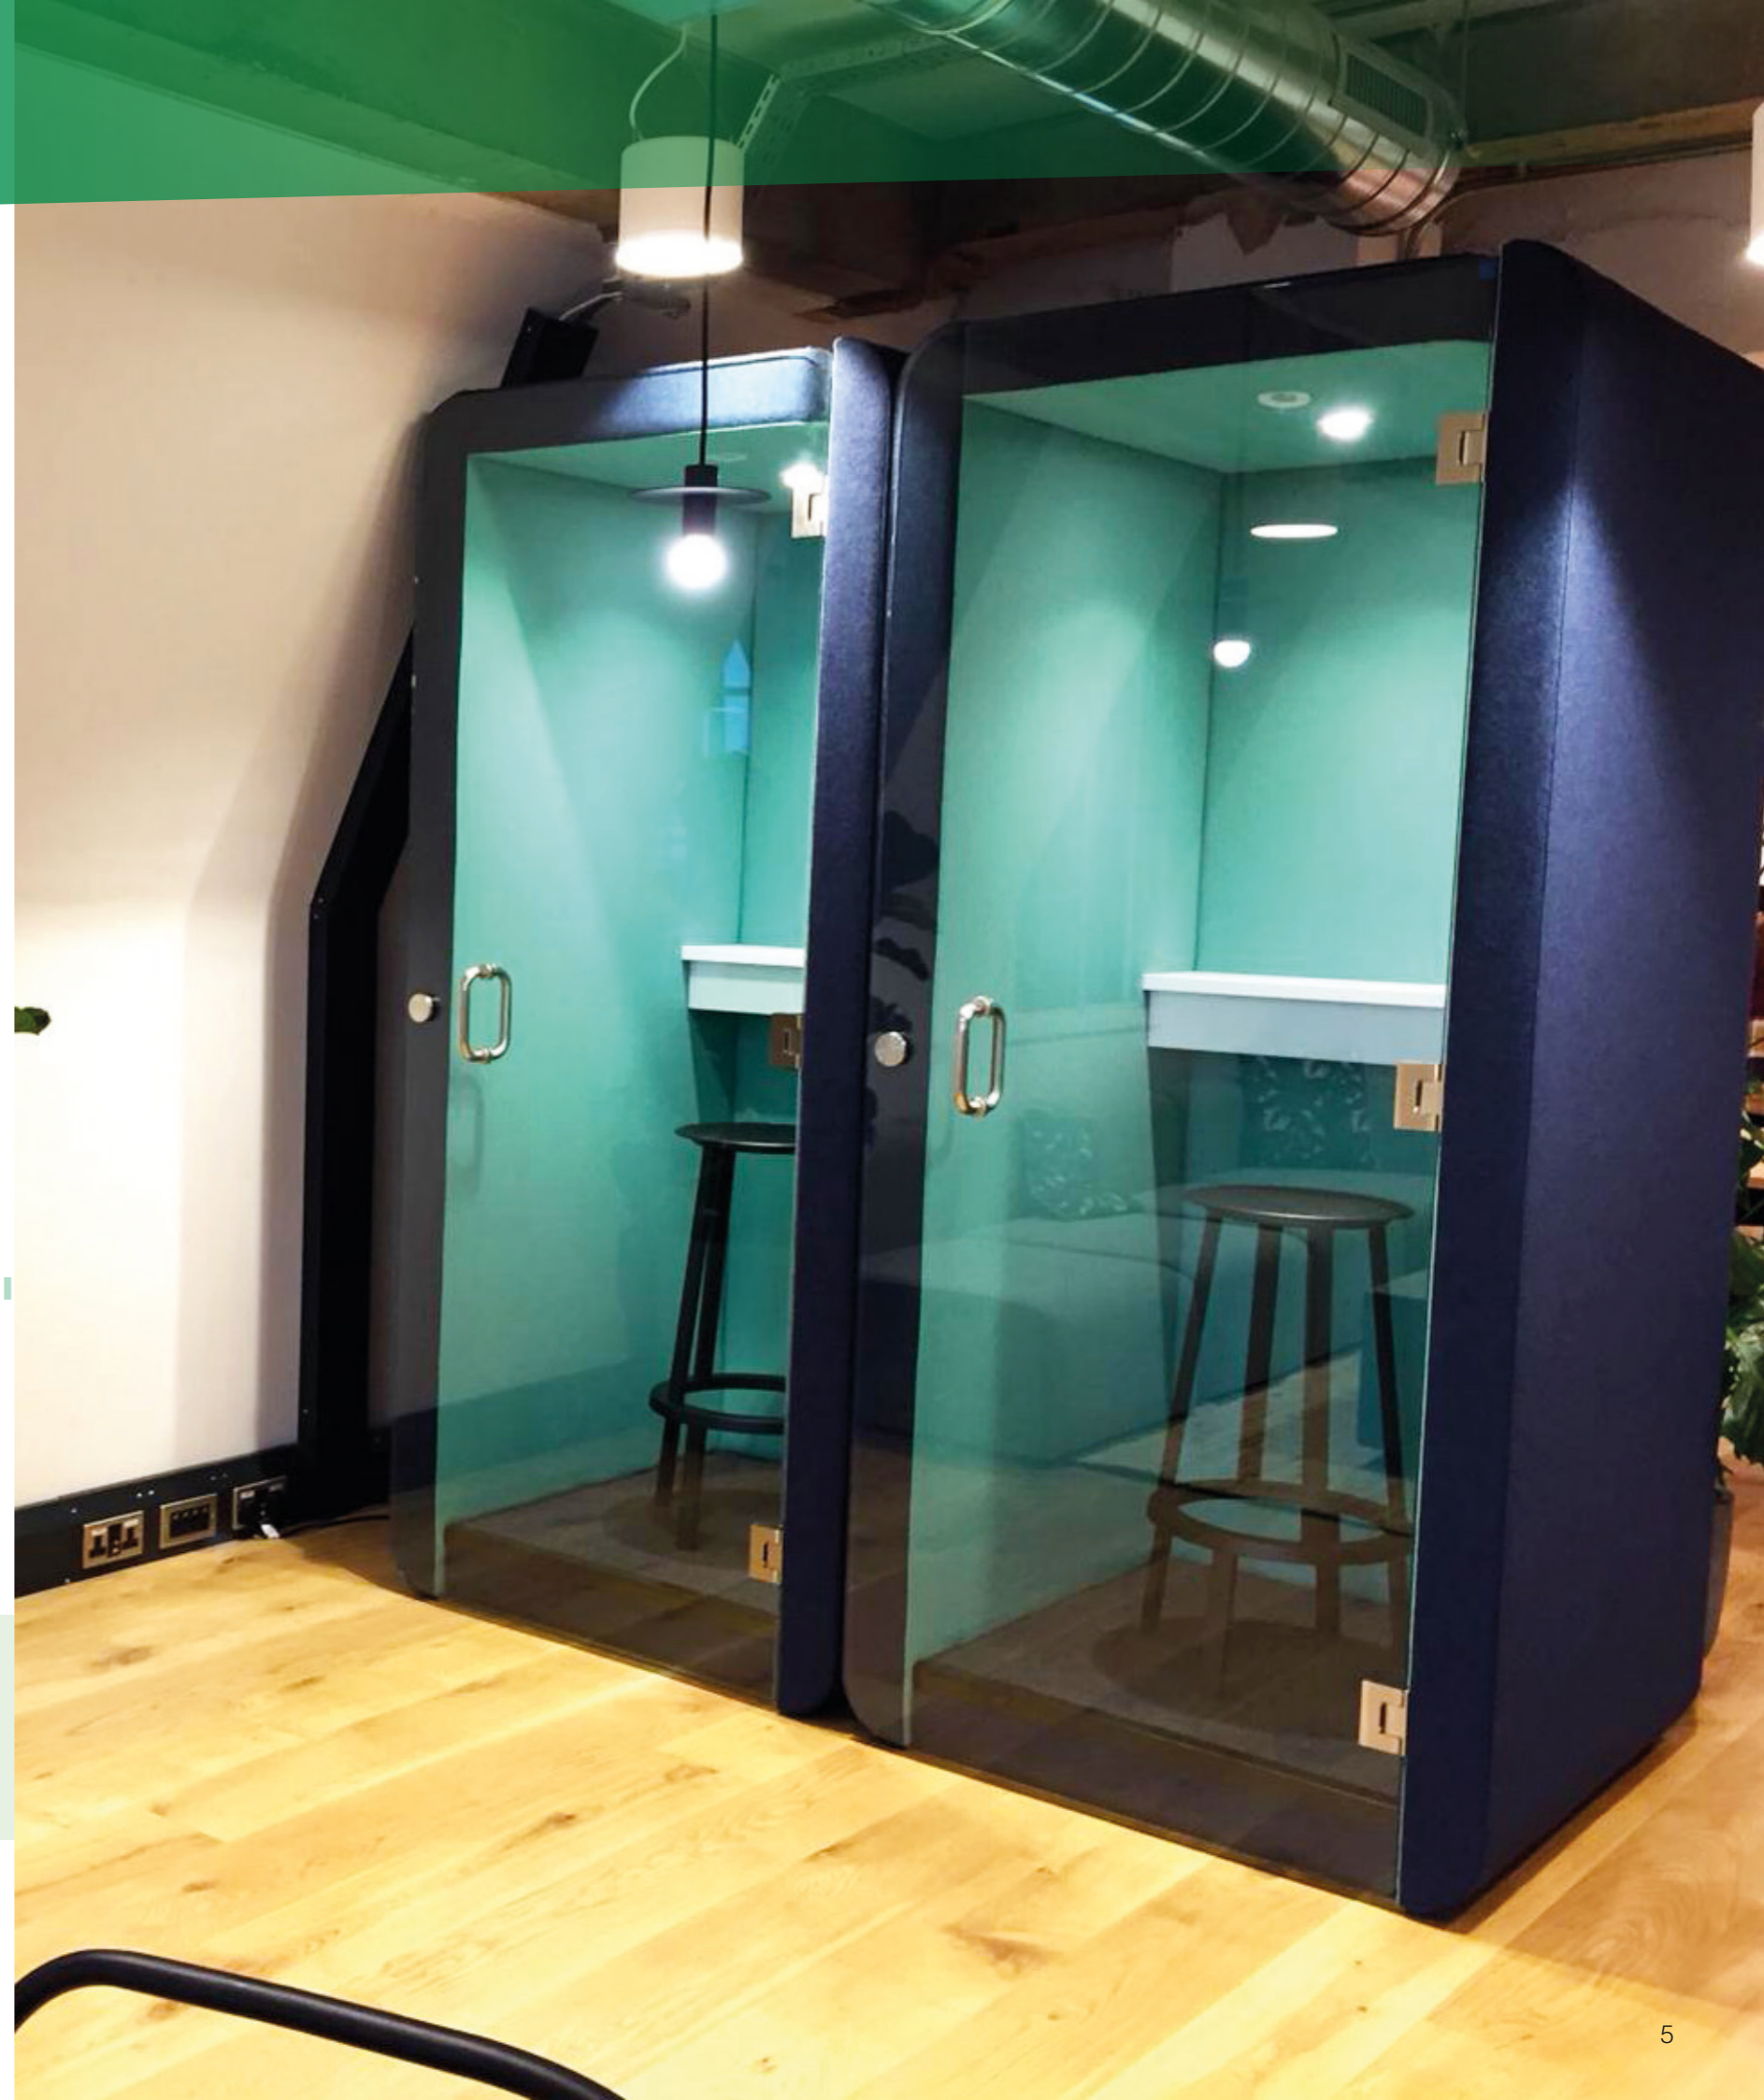

Simple to install, these booths are easy to use and ready to 'plug in and play'.

Customisable connectivity

Available with a wide range of power and data options to suit your requirements.

"Over 50% of people have a hard time concentrating in open-plan offices."

University of Sydney

Acoustic Meeting Pods

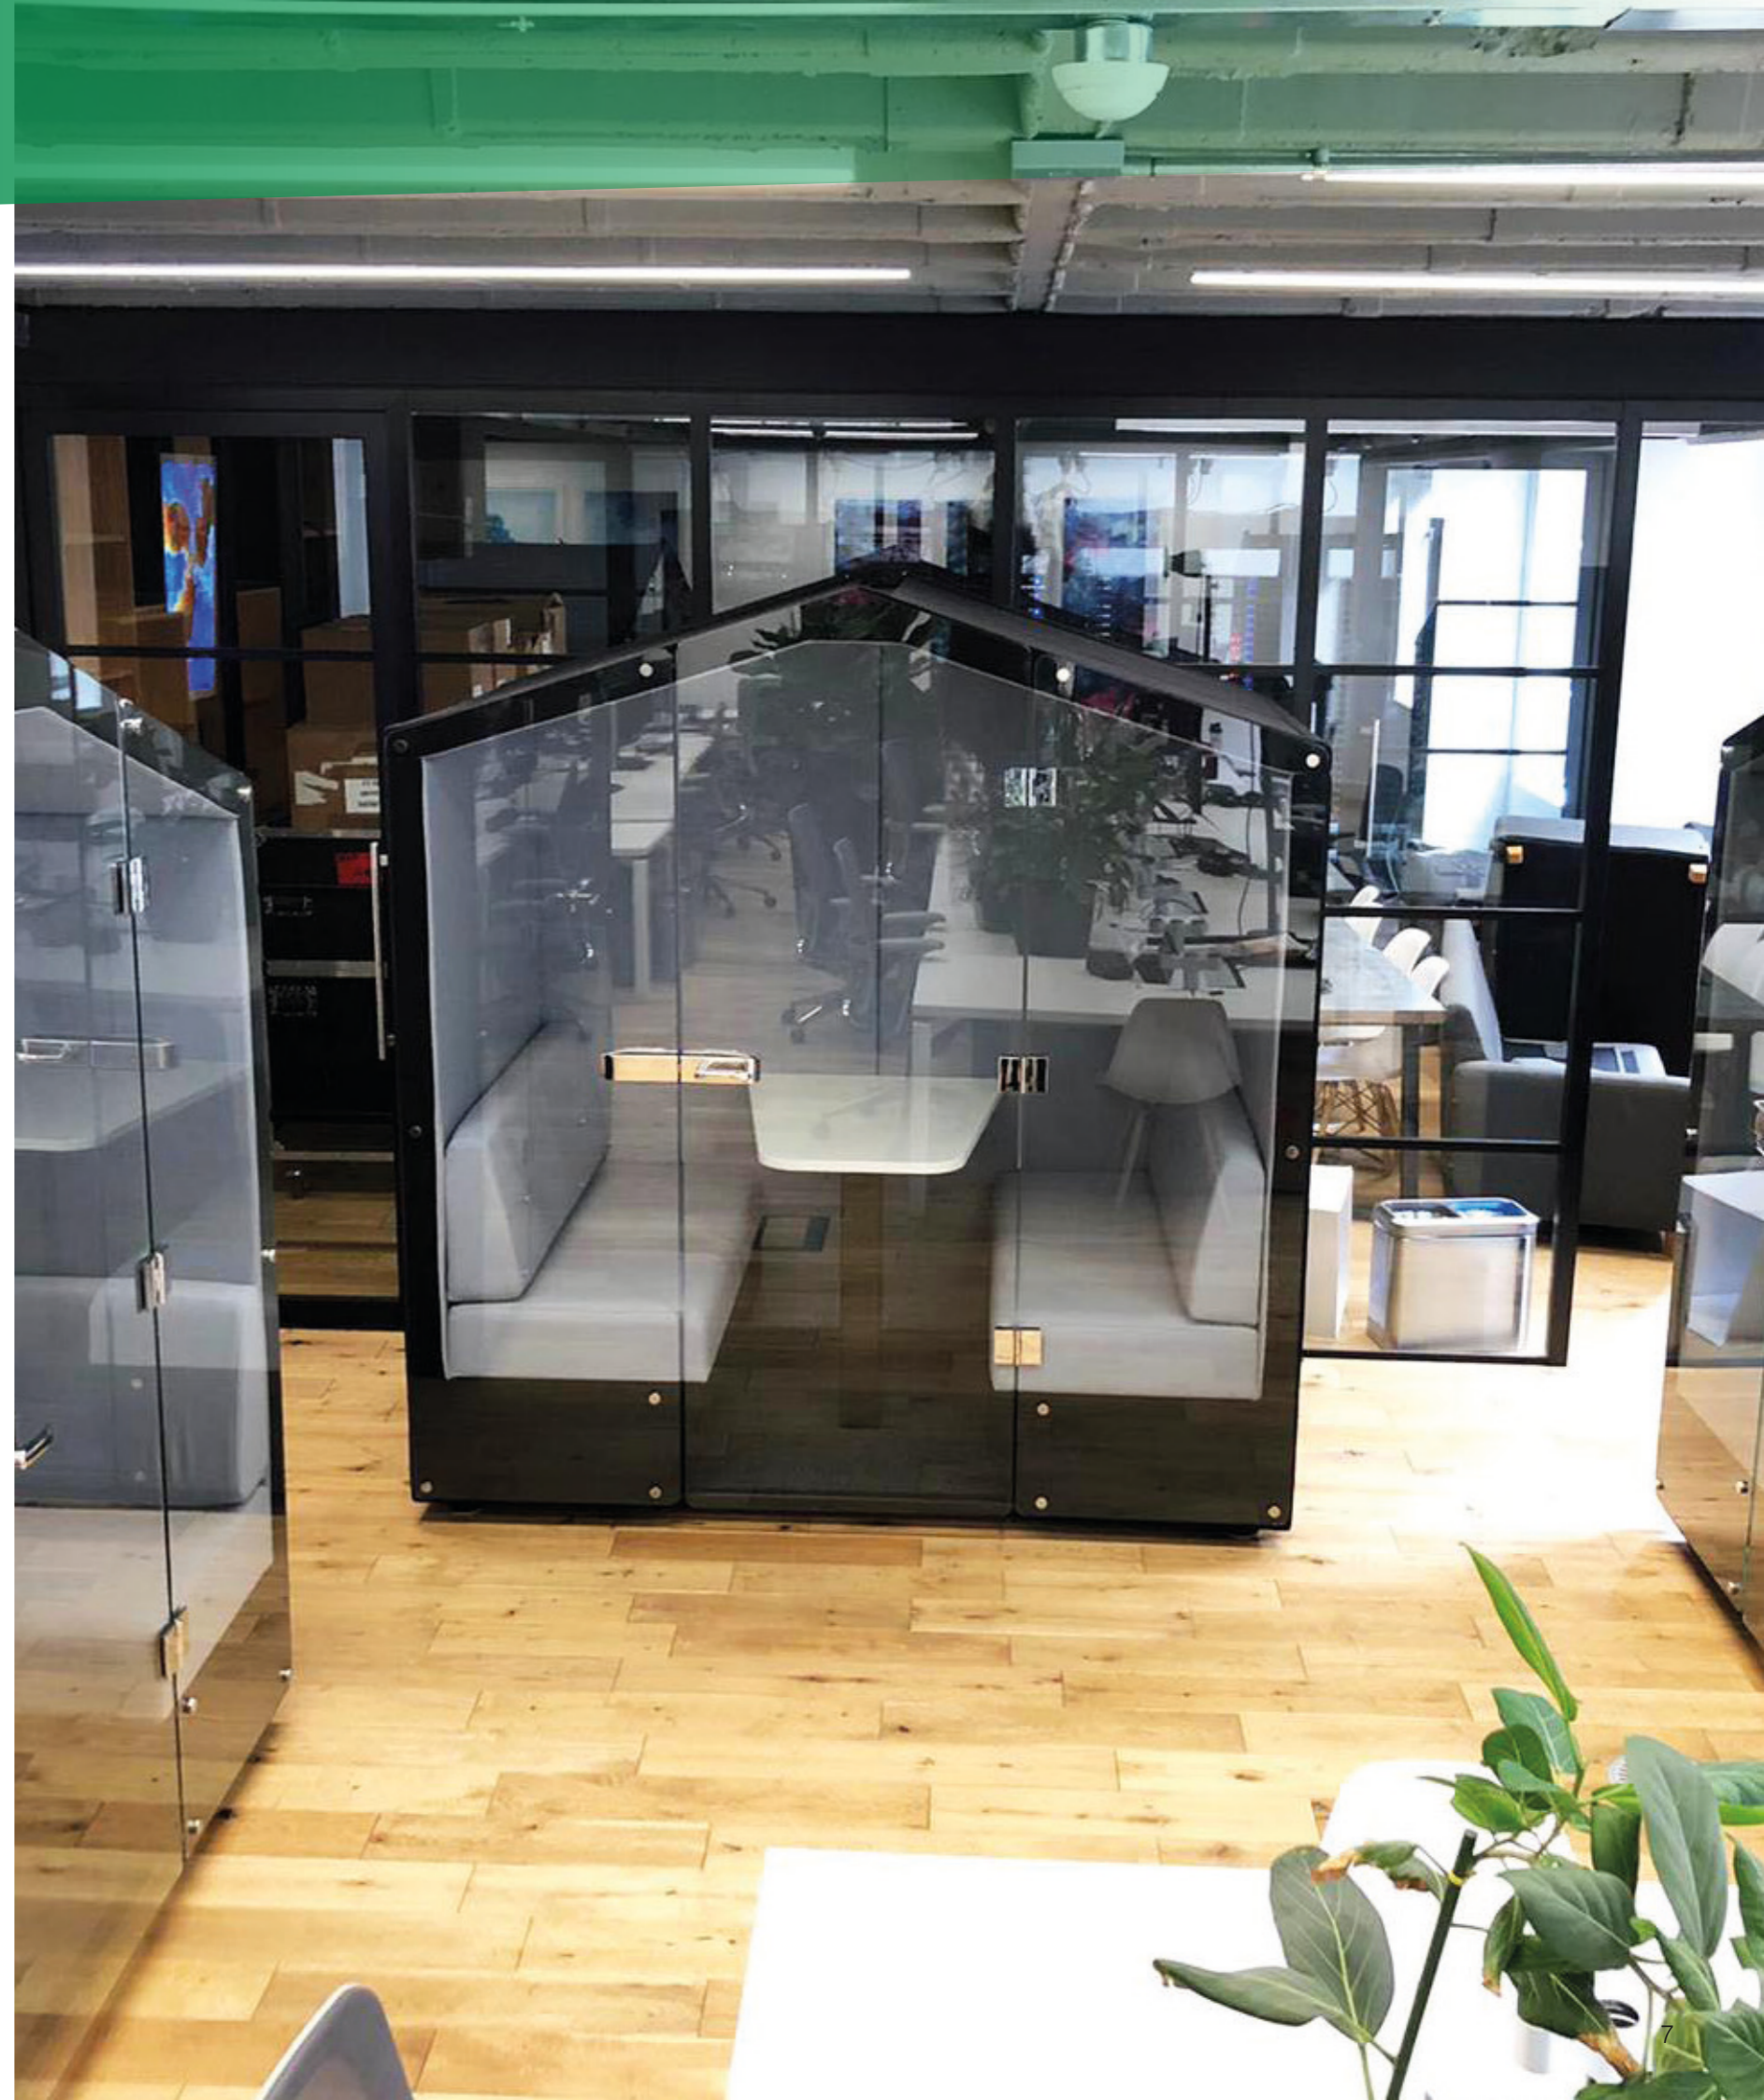

Our pods are designed with effective acoustics, helping limit external noise.

These dens are ideal for creating meeting spaces away from main office areas where staff can have high quality meetings that aren't effected by noise.

Acoustic Meeting Pods

University Hospitals of North Midlands

NHS Trust

We provided bookable, private and sound-proof facilities that allowed doctors to have quick, convenient & confidential meetings in busy hospital environments, without any of the usual distractions.

“These pods are amazing for our new well-being area with staff using them for confidential calls, quiet study, online meetings and training.”

We really appreciated the wide range of fabric options to help us fit them in perfectly with the colour scheme of the space”

Louisa Fullbrook
NHS Lead Librarian
